

Reach Your Potential: The Signature Health Way

Your mental and physical health work together. That's why our team creates a care plan just for you, with kindness and support every step of the way. There's no judgment here.

You can get many services in one place — like counseling, psychiatry, primary care, and a pharmacy — to help you feel your best in body, mind and life.

Improving your Mental and Physical Wellness

Our mental health and medical teams can help with:

- Anxiety and depression
- Schizophrenia and bipolar disorder
- Trauma and grief
- OCD (obsessive thoughts or actions)
- Drug, alcohol or gambling problems
- Ongoing health issues like diabetes or high blood pressure
- Common illnesses like the flu, strep throat, or pink eye

Services for All Ages

Your care plan may include:

- Counseling (one-on-one, family or group)
- Special therapies like DBT, EMDR and PCIT
- Psychiatry/medication management
- Intensive programs (IOP) for mental health and addiction recovery (9 hrs/wk)
- Help with alcohol or opioid recovery using medicine (MAT)
- Mental health day treatment (PHP, 15 hrs/wk)
- Case management & peer support
- Primary care (drop-in Mon-Fri)
- Sexual and reproductive health
- Prevention, screening & treatment for HIV & Hep C
- Dental (Painesville only)
- Dermatology (Ashtabula only)

Accessing & Paying for Care

We mainly help people with Medicaid, Medicare, or no insurance. If you don't have insurance, we offer care at lower costs based on your income.

We also make it easier to get care with:

- Help with rides
- Telehealth and evening hours
- Pharmacies with free delivery
- Bringing treatment to your home when appropriate

Getting Started is Easy

Your first step is a new patient visit. You'll speak with a counselor — and sometimes a medical provider — to talk about how you're feeling and what support you need. Choose the option that works best:

On Demand. Drop into the office or start a video visit from home (Mon–Fri, 9am–4pm).

No appointment needed!
